OPERATION COMPASSION

We are now receiving requests for help from widows like these two which we hope to fulfill in September and October. Mani, at the left, lost her husband from a heart attack. She has a son and two daughters. Sarasa, at the right, lost her husband due to a snake bite. She has two sons. These two received seven and six goats respectively as we provide a widowed sister with five pregnant goats

for herself and one per child. A pregnant goat costs \$60.00 and a cow that is pregnant or with a calf costs \$480.00. Due to the growth in the number of conversions over the past two to three years we are expecting a large increase in widows applying for assistance. We let the sisters prove their commitment for two years before we help because we do not want to entice them with material gain.

REPORT FROM DANIEL KAPPA MYANMAR (BURMA)

"I have been very busy in His kingdom works. Teaching the Word of God every day and every nights. God had opened the door for us to teach His Word to two families in their houses for two nights in a week. As you know that my town Tachileik and surrounding areas is full of denominational groups and denominational preachers are always make problem to the Lord's Church. Even though some young men are decided to obey God rather than man. Today one young boy decided to obey the Gospel of Christ and he took baptism for the remission of his sin. His name is Ai Cai and he is 14 years old. Today is the last day of June and in this month 5 souls are added into the Lord's Church. I can never stop saying thank you to you. Thank you for prayers, thank you for financial support, and thank you for the encouragement. In love, Daniel Kapa

620 BROTHERS ENROLLED IN 80 EVENING BIBLE SCHOOLS IN THREE INDIAN STATES

The states are Tamil Nadu, Andhra Pradesh and Telangana. The key brother who oversees the entrance exams and organizes these schools is James Rajkumar, who

is shown here (in white shirt) preaching in Tamil and being translated into Telegu by brother R. Sudeer Kumar. While it takes about \$160.00 a month to support a student in a fulltime school (below) it takes only \$25.00 a month to cover the cost of a brother in an evening school, so a hundred supports four brothers in this preacher training program; many are

already preaching. Even at \$25.00 a month the cost of 620 brothers runs to \$15,500.00 a month.

OTHER BIBLE SCHOOLS

I. [In Tamil Nadu—Three schools:](#) 1) A two-year school for high school and college age men: 47; 2) A two-year school for high school and college age women: 72; 3) A Bible School and home for the deaf (7) and blind (31).

II. [In Assam—Two Schools:](#) 1) The Northeast Bible Institute, Two-Year English Medium, 17 women and 36 men. 2) The Karbi Bible Institute, Two-Year Karbi Medium, 17 men and 13 women.

III. [In Arunachal Pradesh—One School,](#) The Arunachal Bible Institute—two years, 14 men. Thus the total number of schools comes to 86 and the total number of students to 874.

For the schools and the students we give supreme praise to the Lord God and thanks giving to Him for stirring up your pure minds to pray for and support this work. Sometimes individuals write and say take us off the mailing list because we cannot give; but that does not mean they can't pray. Without fear of contradiction I maintain that prayer is most urgent for this work, for Old Scratch, as grandma used to call him hates the Lord Jesus, His church and any good and effective effort to spread the borders of His kingdom. Please pray for me and this work.
